“You folks are great! This Fisher House is a great addition to Eglin AFB. The hospitality and friendliness shown to me and my family was first-class! Thanks for a wonderful experience! Pass on our gratitude to AAFES for the gift basket.”

18-19 November 2010

“Thank you so much for opening your doors to me and my two children as my mother was in the hospital. My 9-year old daughter Jessica said ‘this was better than a hotel room’ and I agree that the rooms were roomy and luxurious feeling. We all slept very well.”

“Thank you again for a wonderful stay at the Fisher House. The toy elephant for my baby and the gift basket from AAFES were a nice touch. You helped to make us comfortable during a time of stress.”

02-11 December 2010

“I’ve heard of the Fisher House program before but never really knew what it was all about until we experienced it ourselves. It is truly an amazing place to be at, especially during my brother’s serious illness and critical surgeries at the Eglin AFB Hospital. We were able to take care of his three young children while taking turns watching them thanks to the Fisher House facility. It is so comforting and convenient—our 9-day stay was just the treatment we needed to survive.”

“The staff was just truly outstanding and the facility is magnificent. Thank you for the great hospitality! You all made a huge difference in times of trial and challenges. We love it!”

“The people that work here are wonderful!! Ron and Don, even the housekeeper Eleanor, were so friendly. I can tell they like their job here and it makes the atmosphere even better when you’re away from home. This place is beautiful!! I didn’t expect it to be this nice—by far the best Fisher House I have stayed in and so thankful for this service provided for us by the military and all of the contributors! Thank you, thank you, thank you!!

“Thank you for all your kindness. Thanks you just doesn’t seem to be enough! I am very grateful. The facility here is awesome. May God bless you all!!”

“The Fisher House is truly a blessing from the Lord. We consider it a “home away from home”! On our next visit, we will be sure to make time for pictures.

We want everyone to know about the Fisher House and what a blessing it is, especially during medical emergencies. The staff was outstanding in every way, offering assistance with a smile!”

09-12 Feb 2011

“The facilities are amazing, I was completely in awe. What a wonderful thing! I would not have been able to have my surgery without this facility because (even) though I’m local I could not arrange transportation as required. The manager, Ron, was terrific--professional, thorough, conscientious and took great pride in the facilities. He gave me a comprehensive tour and explained the rules and made himself available for questions at any time. Never felt safer! I can’t say enough wonderful things. Thank you so much and God Bless to all concerned!”

16-18 Feb 2011

“Our son was hospitalized at Eglin AFB three times within a month. Thanks to the Fisher House we were able to stay with him until he was recovering. The Fisher House is an amazing, spacious, beautiful house with all of the comforts of home. The staff was extremely helpful and made up feel welcomed. Please feel free to use our picture for any purpose.”

“My daughter was in the hospital having my first grandchild. We were able to walk to and from the hospital that was great. In case we were needed, it was good to be that close. The room was very comfy and the staff was very friendly. It was very enjoyable here and I am proud to say my grandson was born here. Thank you all so very much!”

25-26 March 2011

“Your hospitality, facility, and unselfish acts of kindness will never be forgotten when “thank you” doesn’t seem to be enough!! May the Lord continue blessing you, yours, and the Fisher House.” 28-30 March 2011

“Our sincerest thanks on behalf of my husband and myself. It was a pleasure to stay in this beautifully decorated and maintained ‘home away from home’. From the full-sized kitchen, the availability of the library, and a place to sit down to a real meal in the dining room the Fisher House offers amenities and a sense of comfort that we would not have been able to get from on-base Lodging. Our stay at the Fisher House made my husband’s recovery from surgery the closest to what it would feel like to stay at home. Again, our sincerest thanks to Mr. Gribble and Eleanor for being so accommodating.” 28 March-01 April 2011

“I am very grateful to have been able to stay at the Fisher House. In spite of my reasons of having to stay, I was very pleased with Ron and Eleanor; they were very helpful during my stay here. I’m going to miss you, had fun but I must return home. Take care and God bless you all!!” 28 March-03 April 2011

“Thank you so much for your generosity and kindness in setting me and my family up at the Fisher House. The two of you (Ron & Don) are absolutely wonderful and I see that you are passionate about the work you do. The Fisher House was my home -better than my home actually-for a week while I spent long hours caring for my father at the Eglin Hospital and my mom. The proximity of the Fisher House to the hospital made it ideal to see that my family’s needs were met and was instrumental in saving him from a life-threatening injury. I’ve always been one to give to charities and this is the first time in my life charity was given to me and my family. This blessing proves that charitable organizations like the Fisher House do indeed saves likes and bless those in need.”

“Thank you again, and look forward to my future support!” 30 Mar - 05 April 2011

“We felt like we were with friends here. Everyone was helpful with everything. We loved the house, we felt right at home. Wonderful feelings here! Great dinner also! We learned more about Eglin AFB and the family life. All was great! Thank you so much for all everyone has done for us. God Bless all of you!” 14-15 April 2011

“Very clean, quiet, great proximity to the hospital. Good idea about the reserved parking to avoid hospital overflow. Thanks!” 08-09 May 2011
